Why Choose the Guttman Fuel Card?

Managing driver expenses and fuel costs can be time-consuming and is a struggle for many fleet owners. The Guttman fleet fuel card saves you time and money so you can focus on other areas of your business.

Fuel Card REWARDS

- **Flexibility - NO hard credit limits**
- **Account Safety - real-time transaction data and fraud protection**
- **No hidden fees - NO up-front fees, hidden payments, or lost card fees**
- **No contracts - NO restrictions or penalties**
- **Accepted at OVER 65,000 fueling centers nationwide**

ClearConnect Solutions and Guttman Energy are dedicated to bringing innovative fleet and driver solutions that increase safety, reduce risk, save money and improve your commercial fueling needs.

Guttman Energy and ClearConnect Solutions' partnership combines customized solutions for fleet fuel card programs and risk management technology to truck drivers, fleet owners and owner-operators. With these solutions, your business will save time, money and reduce overall risk.

Guttman Energy – 90 Years of Fueling Intelligence

Guttman Energy has over 90 years of transportation fueling experience across small to large businesses and a range of industries - offering your business customized fueling solutions with the customer care only a family-owned business can provide.

What is a Fleet Fuel Card?

The Guttman fleet fuel card is a payment card for truck drivers, fleet owners, and owner-operators that enables them to purchase discounted fuel at authorized gas stations and convenience stores. With the fleet fuel card, your business will benefit from decades of Guttman Energy's fueling intelligence, reliable customer service and much more. Paired with ClearConnect Solutions' risk management technology, you will create a competitive advantage through a more satisfied - and safer - workforce of drivers and fleet owners!

Benefits of the Fleet Fuel Card

The fleet fuel card program provides a multitude of benefits to enhance and meet your fueling needs.

- Regain budget control of your fleet (set driver purchasing controls and manage fleet spending guidelines)
- Simplify and track driver expenses and reporting (including IFTA reporting)
- View and customize transactions in real-time
- Save money on fueling your fleet
- Access 24/7 customer service
